Director's Note

OLIVER! by Lionel Bart is based on the novel OLIVER TWIST by Charles Dickens. It was Dickens' second novel. It takes place in London, which in the 1850's was a situation of rich and poor: more poor than rich unfortunately. The workhouses, pickpocketing, very little to eat, orphans taken advantage of by adults, drinking establishments for young and old are all true situations from that time.

Thank you all for coming and supporting Sparta Community Theatre. The publishing company would like me to remind the audience that there can be no videotaping of this show.

NOTICE - a starter pistol will be used during Act 2 Scene 6.
